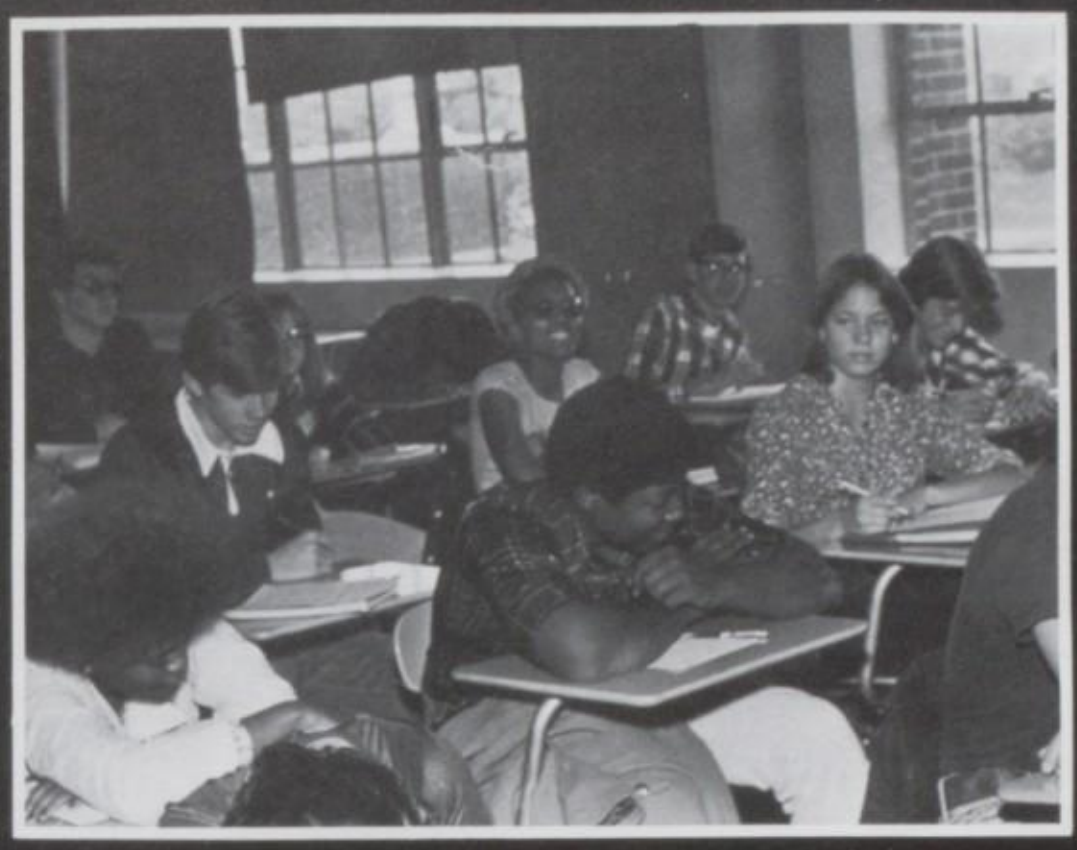
High On This Mountain

The Clouds Down Below

I'm Feeling So Strong

And Alive



From This Rocky Perch

I'll Continue To Search

For The Wind

And The Snow

And The Sky

I Want A Lover

I Want Some Friends

And I Want To Live In The Sun

And I Want To Do

All The Things That I

Never Have Done.

Sunny Bright Mornings

And Pale Moonlit Nights

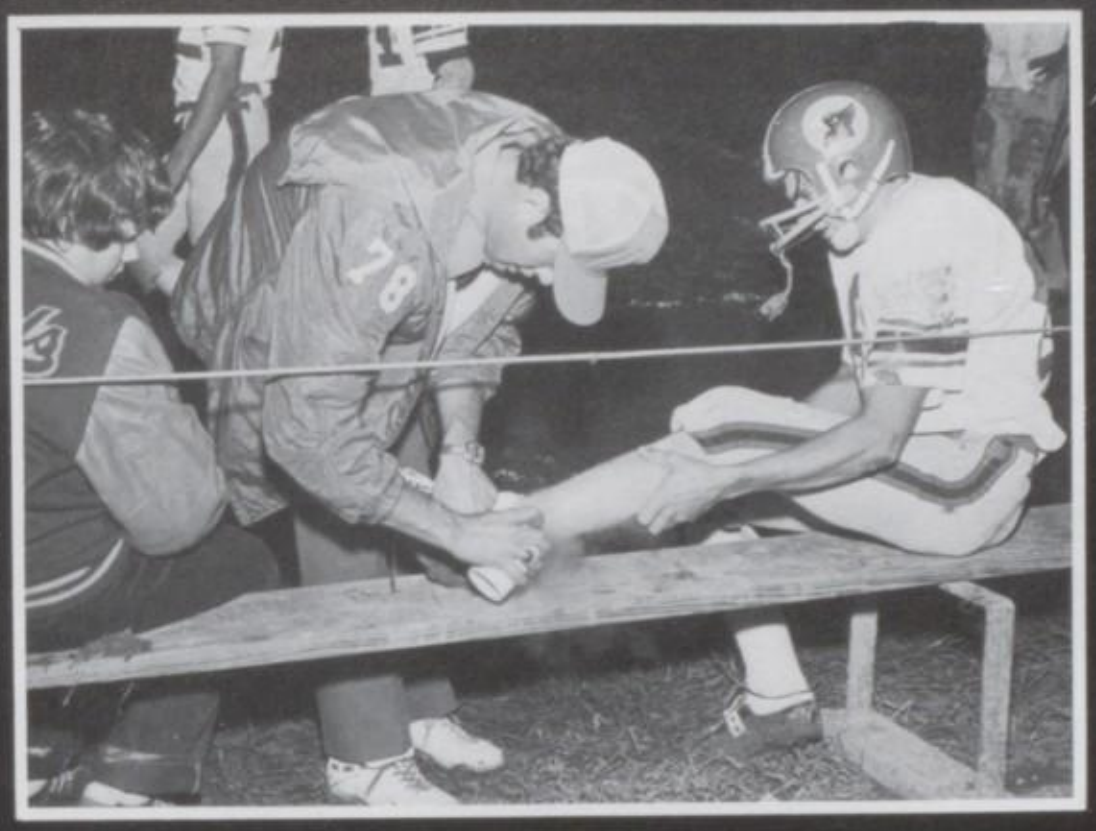
Keep Me From Feeling Alone

Now,

I'm Learning To Fly

And This Freedom Is Like

Nothing That I've Ever Known



I've Seen The Bottom

And I've Been On Top

But Mostly I've Lived In Between

And Where Do You Go

When You Get To The End

Of Your Dream?

Off In The Nether Lands

I Heard A Sound

Like The Beating Of Heavenly

Wings

And Deep In My Brain

I Can Hear A Refrain

Of My Soul As She Rises And Sings

Anthems To Glory And

Anthems To Love And

Hymns Filled With Earthly Delight

Like The Songs That The Darkness

Composes To Worship The Light.

Once In A Vision

I Came On Some Woods

And Stood At A Fork In The Road

My Choices Were Clear

Yet I Froze With The Fear

Of Not Knowing Which Way To Go

One Road Was Simple

Acceptance Of Life

The Other Road Offered

Sweet Peace

When I Made My Decision

My Vision Became My Release.

NETHER LANDS

High on this mountain
The clouds down below
I'm feeling so strong and alive
From this rocky perch
I'll continue to search
For the wind
And the snow
And the sky
I want a lover
I want some friends
And I want to live in the sun
And I want to do all the things that I never have done.

Sunny bright mornings
And pale moonlit nights
Keep me from feeling alone
Now, I'm learning to fly
And this freedom is like
Nothing that I've ever known
I've seen the bottom
And I've been on top
But mostly I've lived in between
And where do you go
When you get to the end of
your dream?

Off in the nether lands
I heard a sound
Like the beating of heavenly wings
And deep in my brain
I can hear a refrain
Of my soul as she rises and sings
Anthems to glory and
Anthems to love and
Hymns filled with earthly delight
Like the songs that the darkness
Composes to worship the light.

Once in a vision
I came on some woods
And stood at a fork in the road
My choices were clear
Yet I froze with the fear
Of not knowing which way to go
One road was simple
Acceptance of life
The other road offered sweet peace
When I made my decision
My vision became my release.

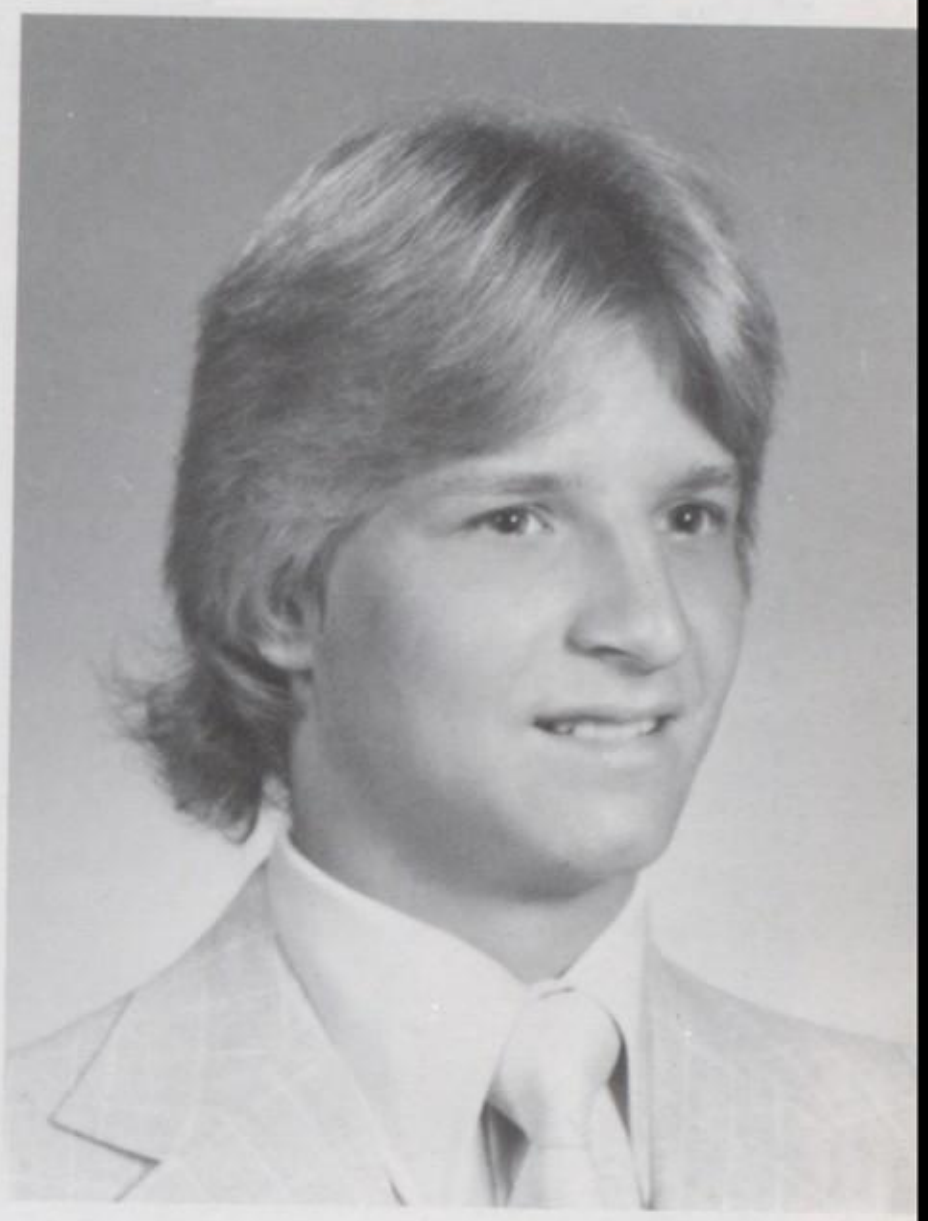
STEPHEN WINKLER

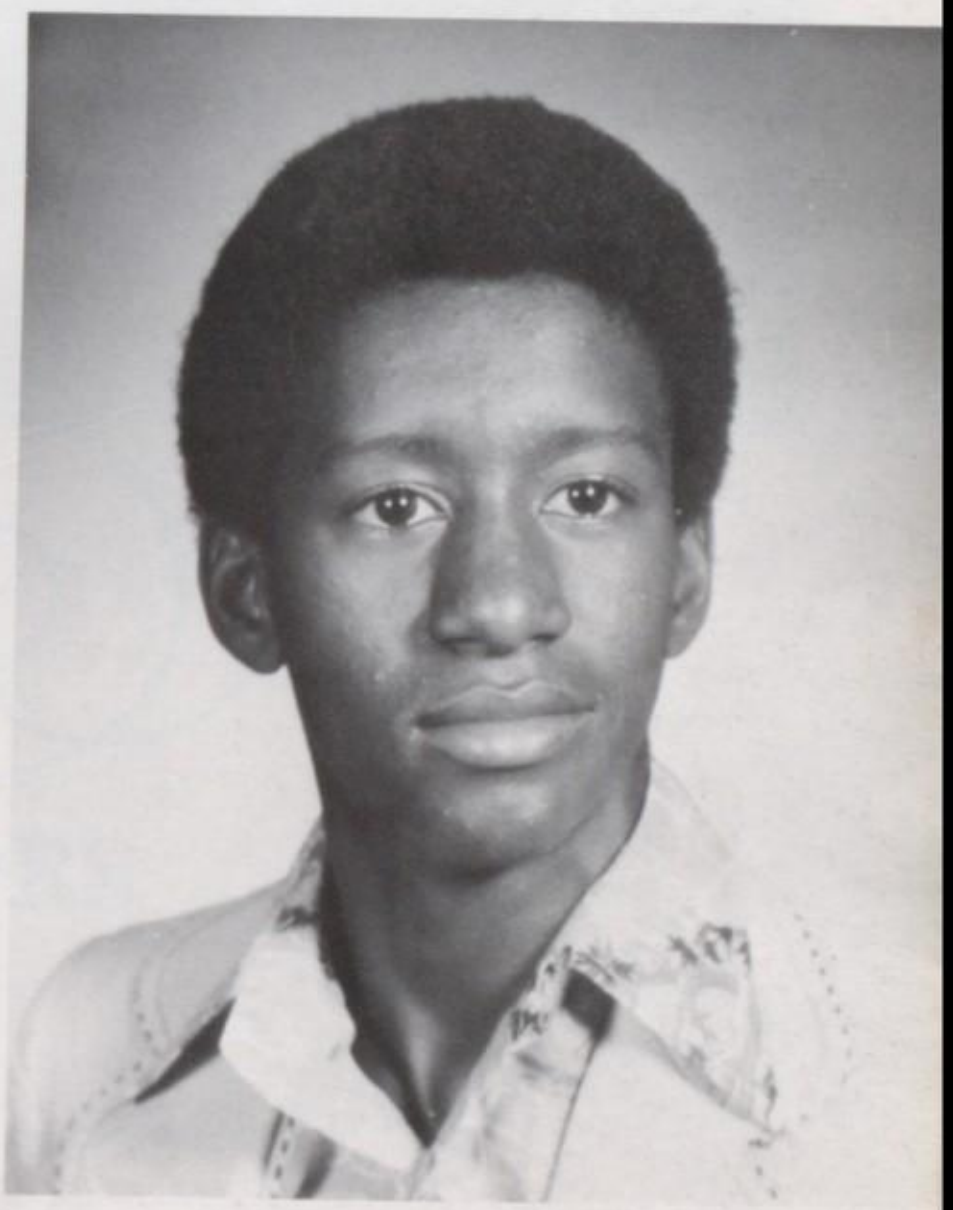


Elected Senior Class President, Steve accepted the traditional cane and chain and also became president of the Activities Board. While active in Student Council for all his high school years, his first big job was planning the Junior Prom, which he managed successfully. His most important upcoming job is of course the Senior Prom.

From his Student Council involvement, Steve has branched out to involvement with community organizations. He represents AHS on TAMS (Teens from Alton and Marquette Schools). He was formerly a representative on a youth advisory committee.

From all the work he has done, you can see he really deserved the Homecoming King crown!

JAMES SPANN



James "Buggy" Spann was elected as the 1977-1978 Student Senate President last spring. Under his leadership, Senate members have accomplished many things such as sponsoring projects each month to improve relationships between teachers and students and planning charity drives — the softball game, the Dance-a-thon, and the blood drive to name a few. They have also set up suggestion boxes for students to voice their complaints and ideas for improvement.

Buggy has previous Student Council experience, so he knows his job well. In his junior year he was co-chairman of the Dance-a-thon to raise money for the American Cancer Society. His involvement with the community includes attending city council meetings and working on the school board liaison committee. He is also an active member of TAMS.

Good work, Buggy!

On November 5, 1977, the Student Senate and Activities Board held a "Gong Show" in the Alton High Auditorium. The emcee was Jeff Ivestor and the panel of judges was all Alton High faculty. Coming from Alton's grade Schools, junior high and high schools, the acts varied greatly. They preformed a monologue, pantomime, solos, group acts, and a Howard Kosell/Elvis Presley Impersonation. First place went to Dixie Spence for her solo. Second place was a tie between Jackie Starkey and Karen Fischer. A group of Senate and Activities Board members doing "The Twelve Days of School" won the "Booby Prize."

REDBIRD WORD

Vol. 11, No. 2 | Alton Senior High School, Alton, Illinois | November 10, 1977

Kickers end record season

"It was an especially fine season and I hate to see it end this way," expressed kicker coach Mick Brown.

Alton finished its season on a disappointing note, by suffering a defeat at the hands of the Collinsville Kahoks during the finals of the sub-sectionals.

Even though Alton finished with a loss, the season was the most successful of Alton's four years, ending with record of 13-3-2.

The team set a school record of 96 goals scored and 23 goals allowed against them this year. A tribute to the defense.

The high-scoring Alton machine was led by co-captain Steve Winkler with 21 goals, senior Dave Hoag with 20 goals, junior Brad Baker with 18 goals and 20 assists and junior Chris Dunphy with eight goals.

Goalie Doug Leavell, co-captain, also added to the books the record of six shut-outs in a season.

Alton will lose five senior starters to graduation. They are Dave Hoag, Pat Pohlman, Pat Schwarte, Doug Leavell and Steve Winkler. Alton will also feel the loss of senior reserves James Spann, Todd Admire and Jerry Cox.

Although Coach Brown will feel the loss of many talented players to graduation, he is still optimistic concerning future years.

"It was a fine season and Alton soccer is going to grow and continue to grow," stated confident Coach Mick Brown.

2nd play set

by Chris Little

"You see, I was on my way to the Battle of Bull Run when something went wrong with the machine and I landed here, a hundred years out of my way." states a disappointed Kreaton.

In "Visit to A Small Planet," the house of Mr. and Mrs. Roger Spelding (Mark Harris and Robbie Ezell) is invaded by Kreaton (Mark Elliott), a man from another time zone. Roger and Gen. Tom Powers (Brad Meyers) see an unidentified flying object and witness a man jumping out of this UFO. Kreaton is expecting to take part in the Civil War, but it's been over for more than a 100 years.

Other cast members are Karen Fisher, (Ellen Spelding); Rob Wilson, (Conrad Mayberry); Jay Sabo, (Aide); Bob Mitchell, (Delton 4); Debbie Orban, (WAC); and Leigh Dalton and Clint Reinhart, (T.V. technicians).

The director is Mr. Cliff Davenport. At his side will be Karen Savage, student director.

"Visit To A Small Planet" is a science-fiction comedy. In the movie, Kreaton was played by Jerry Lewis.

The play will be given Dec. 9 and 10 at 8 p.m. Tickets cost $1 and may be obtained from any cast and crew member or may be purchased at the door.

Redwing tennis ends 11-3 season

Tradesmen hammer

by Shane Moore and Roger Smith

"The house that Jack built"? No, it's the house that Alton High's two construction trades classes are building at Humbert Road and Bethany Lane in Godfrey.

Students are under the direction of Mr. Dennis Morgan, the new building trades instructor who taught last year at St. Charles, Mo. The house was started last school year but didn't make it above the ground. Now, Mr. Morgan has got people working and already walls are up, the roof is on, shingles are down and the house is over half completed!

The house is a ranch style, part brick and aluminum siding, on one level with a fully-extended basement underneath. There are three bedrooms, kitchen with finished wood cabinets, living room, dining room and two bathrooms. The house is fully carpeted. A two-car garage will be attached.

There are two building trades classes at the J.B. Center. One session meets from 8-11 a.m. and the second session works from 12-3 p.m. Students are not just sitting in the class memorizing and writing about construction; they are actually out on the job doing it.

Their work includes carpentry, bricklaying, plumbing and roofing. The Vocational Electricity classes, taught by Mr. Don Maloney, is connecting the wiring. All of these guys who are getting experience and learning to work as a group, hope to make money in construction after graduation.

The building classes have many problems to overcome with their house. Vandalism is a major hazard. Vandals have torn down the walls, stolen equipment and written obscenities. Although no action has been take to stop these culprits, the class repairs the damaged property.

Rain is another problem that is being worked around. When it hits, the guys work on the inside of the house or stay back at the Center and study their textbooks. Cold weather is setting in but that won't stop the work. Brush fires will be built on the worksite to provide heat for the hands to keep the hammers pounding.

"It will be a fine house and should be completed by early May," stated Mr. Morgan. "The market price value is close to $38,000 and will be bid by the school district in June," Mr. Morgan concluded.

Powder Puff needs pro refs

Although the name sounds fragile, Powder Puff football is anything but. Many practice hours are put into preparation for the game. To the participants, the one game they get to play is as important as the boys' regular football season. The game warrants some professional referees.

Most juniors and seniors are in favor of shelling out some money to get real referees with black and white striped uniforms. Referees are paid on the average $30 each game. The Student Council made roughly $375 on this year's Powder Puff game. The game would pay for the referees by itself, if the Student Council would be willing to give up some of the profit.

More important than giving up money, the players would have to sacrifice jumping off sides, holding and clipping on every play. A professional referee wouldn't miss a penalty. A fair game deserves fair play. The girls are going to have to make it worth the effort of the referees.

There are some sacrifices to be made, but we think it would be worthwhile. It would eliminate some of the familiar complaints that the referees were paid off in cookies and clean up the field play.

Vocational class to print paper

For the first time in Alton's High's history the school newspaper will be published by the vocational printing classes. The Wood River Printing and Publishing Company has printed the Redbird Word for the past 10 years.

Mr. Robert Treise is printing advisor and Mrs. Marlene Hall is newspaper advisor.

4 seniors to compete in Merit Scholarship

Four AHS seniors will compete in 1978 Merit Scholarship Competition. Semifinalists are Karen Jear Ryberg, Russell Schmidt, Karen Slack and Jeffrey Urs.

The students qualified to become semifinalists because of their outstanding high scores on the October 1976 PSAT/—NMSQT. Semifinalists are in the top one percent of the nation's 1978 graduating class.

In addition, Albert Fuller was named a semifinalist in the 1978 National Achievement Program for Outstanding Negro Students.

Who's to say what's right with the white?

"What's the best thing to do in the snow?"

Bruce Maxson. . . "Hide albinos."

Tracy Woolsey. . . "Bury this question."

Physics II Girls. . . "Test the sliding friction of Chem O boys going down the roof of the Main."

Dan Dix. . . "Make it yellow."

Nora comes from Mexico

by Steve Winkler

Have you ever done something just because some of your relatives did it? Well, that's what Nora Mata did and she ended up in Alton.

Nora is originally from Mexico City, Mexico. Her cousin went on a student exchange from Mexico City to Kansas, so Nora followed suit and wrote to the International Fellowship Inc. to go on an exchange. She was chosen to come to Alton. Another reason for going on the exchange was to learn English.

She has classes consisting of Student Senate, art, typing, P.E. and Spanish. Nora enjoys school; in fact she said, "I like Alton High more than anything in the United States." She could think of nothing that she didn't like about America or Alton High, but the fact that she only speaks Spanish is a bit of a hindrance.

Nora arrived in Alton on Sept. 2 from Mexico. She is staying with the Cletus Keene family. Brenda Keene is a junior at AHS. Nora is only 15 years old, a sophomore by our standards. However, in Mexico she is in her third year of secondary school.

When speaking of the schools in the United States, she explained, "Some are the same, some are different. The different ones are bigger in America, with many more activities." The only activities in her school are basketball, volleyball and soccer. Soccer is a big sport in Mexico.

Nora Christina Dominguez Mata came to the United States to learn English and meet new and different people. When asked if she had accomplished this yet, she responded. "Si".

Raewyn loves ice cream

by Debbie Yinger

Who's the new girl with the British accent? She's Raewyn McNeill from Christchurch, New Zealand.

Raewyn, 18-years-old and a senior at AHS, came here through AFS and is staying with Mr. and Mrs. Gail Weinrich and their daughter Carol, a junior at AHS.

What does Raewyn like best about America? "My favorite is the ice-cream parlor. I've gained seven pounds already," said the petite Raewyn. However, she said she can do without the hot weather we had in early September.

The entire population of New Zealand (3,000,000) is less than the population of St. Louis. But the population of her city, Christchurch, (320,000) is eight times larger than Alton.

Raewyn is taking these subjects at AHS: Interior Design, calculus, Radio/T/V., American Government and psychology. She is participating is Student Senate and AFS.

Raewyn explained the difference from her school in New Zealand to AHS, "Back home we have more discipline and had to wear uniforms." Aren't you glad you don't have to wear a uniform everyday?

RAEWYN MCNEIL OUR EXCHANGE STUDENT FROM CHRISTCHURCH, NEW ZEALAND

Alton Senior High is proud to have Raewyn McNeil From Christchurch, New Zealand, Who is an exchange student on the American Field Service Program. Raewyn is staying with the Gale Weinrich Family.

Raewyn is studying Calculus, Psychology, American Government, and Speed Reading. Her hobbies are skiing, canoeing, netball, and playing the piano accordian.

Raewyn graduated from Papanui High School in Christchurch and when she returns she hopes to get a job to earn money for college.

We hope Raewyn enjoys her stay in the United States and we wish her the best of luck.

Raewyn and her American family.

COLLEGE AND CAREER NIGHT

Over one-thousand parents and students attended "College and Career Night" at Alton Senior High School on March 14, 1978. Students and parents had an opportunity to visit with representatives from the job market in the Alton-Godfrey area to gather information on College Admissions, Financial Aid and Scholarships, Career Possibilities, and Job Opportunities.

Most students took time to visit with all representatives. It was not uncommon to see a student leaving with information from the Marines, Bailey Tech, and Bradley University. Today there is a new and healthy respect for diversity in education. No longer are the different types of education seen as opposites. Rather they are all coming to be seen as essential elements of a large and complete mosaic that is greater than any of its parts.

As education in this country moves more and more toward becoming a life-long enterprise, people will find themselves moving in and out of all kinds of educational programs: to retool for a new job, to train in the arts or for an avocation that enhances the quality of their leisure time, or maybe to take a course in literature or philosophy simply for the sheer joy of learning.

"College and Career Night" afforded students and parents an opportunity to help collect useful, up-to-date information in developing long term educational plans.

And you thought we sang in chorus.

The 1977 Redbird kickers established themselves the finest season in the history of Alton Soccer. Though they placed third in the Conference and suffered a defeat to Collinsville in the finals of the Sub-Sectionals, the Redbirds ended their season with a winning record of 13-3-2. Setting a record for goals scored in a season, the Alton Machine outscored their opposition 96 goals to 23. The high-scoring team was lead by Co-Captain Steve Winkler with a seasonal record of 21 goals and 9 assists. Dave Hoag with 20 goals and 9 assists and Brad Baker with 18 goals and a seasonal record of 20 assists. The hard driving Defense set a seasonal average of only allowing 1.27 goals per game. Goalie Doug Leavell, Co-Captain, added to the books the record of six shutouts in a season. Receiving the honor of the 1977 Most Valuable Player was Steve Winkler, while Tim Acker was the Most Improved Player of the year.

Senior Steve Winkler and junior Brad Baker were chosen to the Metro-East first team, senior Pat Pohlman and sophomore John Wardein received Metro-East honorable mentions. Alton will lose five starters to graduation. They are Dave Hoag, Doug Leavell, Pat Pohlman, Pat Schwarte and Steve Winkler. Alton will also feel the loss of senior reserves Todd Admire, Jerry Cox and Buggy Spann. The promising returns are Tim Acker, Brad Baker, Mark Duffy, Chris Dunphy, Mark Giovagnoli, Darrin Jones, Bill Mermis, Mark Milford, Sam Mormino and John Wardein.

Coach Brown credits the success of the outstanding year to off season play in which the team developed much needed team skill they lacked in previous years.

A sprinkle a day helps keep odor away.

Will the real Captain Alton sit down.

Who will be the next Mr Universe?

A season that could have been so close, but proved to be so far away spelled a 3-6 record for the 1977 Alton Redbirds' football team.

First-year coach Wayne Williams built a solid defense that wound up second overall in the final Southwestern Conference picture, but the inability to produce points in the clutch was the telling factor for the Redbirds.

In the Birds' six losses, five of the games were decided by seven points or less. In all five of those games, Alton scored either one touchdown or less.

Following back-to-back wins against Quincy and Cahokia, the Redbirds were 2-1 at one point in the season. However, a heartbreaking 10-7 loss at Edwardsville in which a controversial call at the end of the game cost Alton a win, was the turning point of the season.

The Birds were to finish 1-5 and sixth in the Southwestern Conference. Players to receive Southwestern Conference honors included: Gilbert Joehl, Tony Willis, Mark Dunlap, Lloyd (Rusty) Bilbruck, Bill Netzhammer, Karry Wilson, Scott Somlar, and Pete Wyatt.

Joining Williams in the Birds' coaching staff for 1977 were: Felix Macias, Jack Martin, Terry Mitchell, Jim Arico, and Collis James.

With a fine sophmore team (7-4) waiting in the wings, the Birds hope to complete their rebuilding program next year and reverse their 1977 record.

Laura Covingyon also ran the 110 yard low hurdles. Lori Terrell made it to the long jump while Cheryl Tolbert went to the 220 yard dash. Mrs. Watkins stated, "Our 880 relay team was 13th out of 56 teams which wasn't bad, but I feel it was a definite step in the right direction." She also stated "Girls sports are fairly new, it takes a strong minded, mature, adult with lots of juts and determination to compete and become a good athlete."

Mr. Thompson, the coach of the Alton Flames, said that this year was a year of rebuilding for high school hockey. There was a total of 40 students on the Flames this year. Jamie Gardner was pronounced the most valuable player. They played an Independent schedule having won two games, lost two games, and tied one. Coach Thompson says the prospects look good for next year.

The 77-78 Wrestling season was a difficult one in many ways. First, most of the 76-77 team graduated the preceeding June including all-time Alton standout and the 6th place finisher in the state Jerry Herrin. Secondly, Mr. Sheretz became the new head coach and his ideas and personality were such that several members of the previous years J.V. squad decided not to become part of the new look in Redbird wrestling. A very young and inexperienced squad. Five of the starting team of twelve (including three freshmen) had never before this season wrestled. The product was a 4-12 dual meet record- disappointing for this year, to say the least, but the beginning of what Coach Shertz hopes will be a bright future for wrestling in Alton. Of the thirty-five boys on the varsity squad only two will graduate.

This years squad scored victories over Roosevelt of St. Louis, Jerseyville, Collinsville, and a big upset over Woodriver despite an enormous experience gap. 98 pounder Mike Harpole led the team in pins with 11 and scoring 104 points. The Captain 155 pounder Steve Nolan was the takedown leader and was the top finisher for Alton in the District Meet with a third place.

We will miss Nolan and Fellow senior Jimmy Hausman but we are eagerly awaiting the start of next season when we begin to cash in on the dues we paid this year.

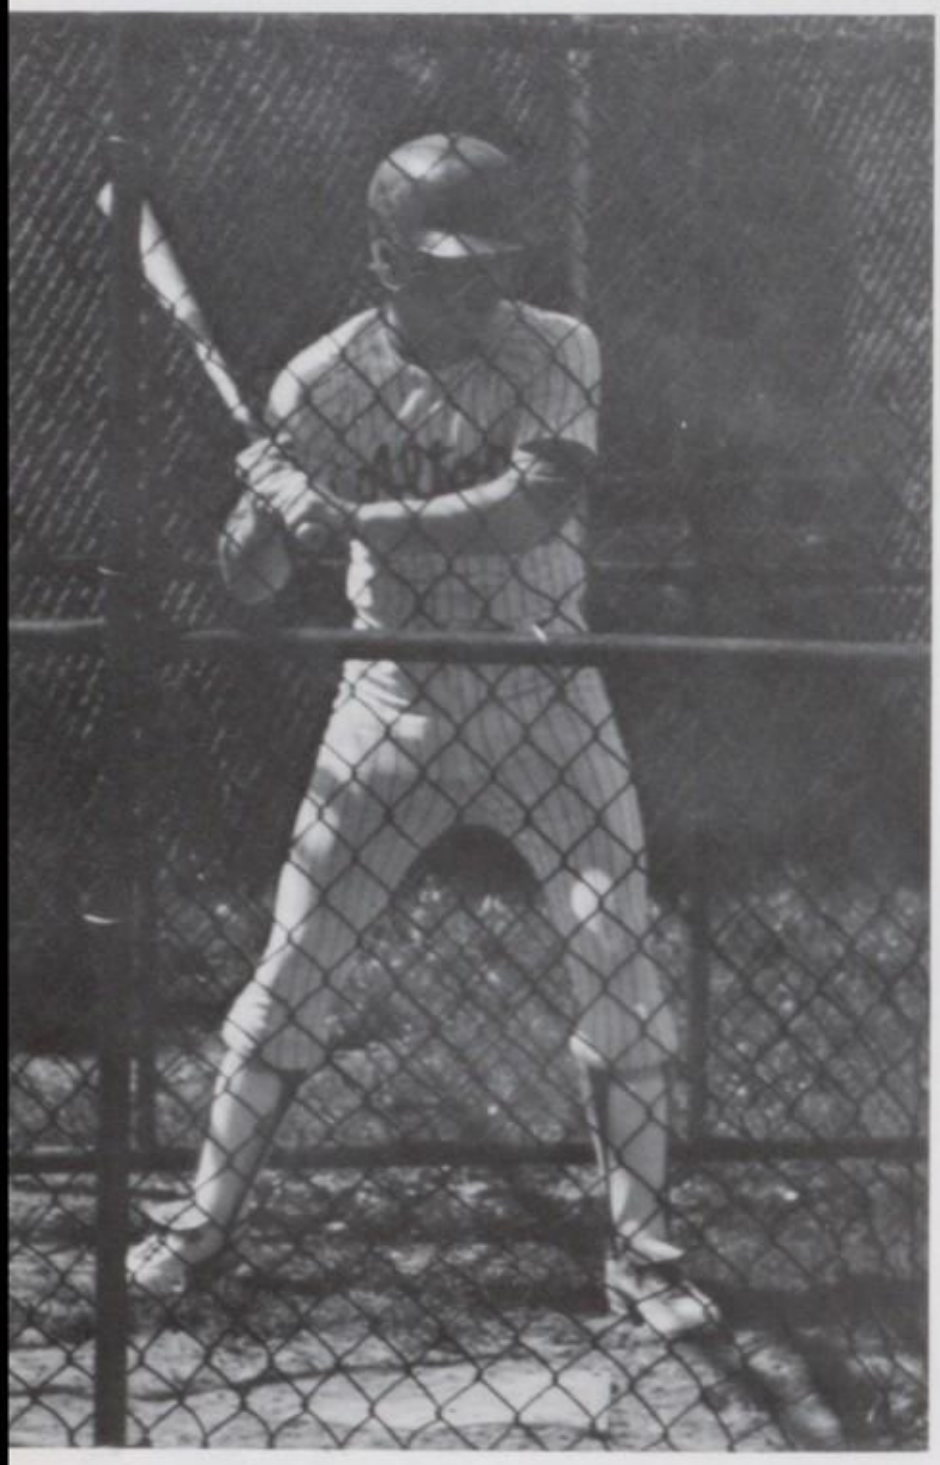
VARSITY BASEBALL



Rick Bouillon in the batter's box.

As the 1977 baseball season started so did the Varsity Baseball squad. Experienced players were placed in positions they had no experience in. In the key positions like pitching, catching, and shortstop, no one played any better than anyone else, although the team did have depth. After taking several losses, Coach Tyler placed David Hopkins at shortstop, Chris Dowdy and Terry Savage on the mound and Jay Sabo as catcher. With these changes the team produced better results. Among the several leaders in the squad, Terry Zirkelbach, disignated hitter, held the highest batting average of .357. First baseman, Joe Hoefert, led the hitting with 23 hits and he had an average of .333. Brad Hewitt, right fielder, hit .302 and held the RBI record of 10. Terry Savage, pitcher and first baseman, hit .301. Center Fielder, Andy Hightower, hit .297, lid in runs with 20, home runs with four and time on base with 39. Later Andy signed a pro contract with the St. Louis Cardinals. Shortstop, David Hopkins hit .292 and third baseman Rick Bouillon hit .288. Dominating the pitching statistics, Chris Dowdy had a 6-1 record and ERA of 1.60, while Terry Savage was 4-3 and had an ERA of 1.60

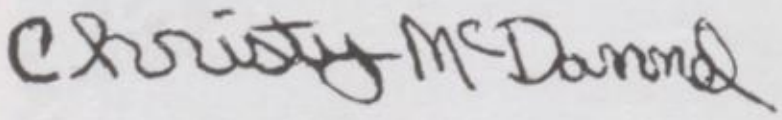
EDITORS MESSAGE

This year I have learned that putting together a yearbook is not as simple as it seems. It has been a difficult task, especially since our new advisor and I had nothing to start with except the ideas in our heads. I realize now as we finish the Tatler, that all of the frustrations and worries we've been through all of these months, have been worth it.

I would like to express my thanks to Mr. Hansen and all of the people who have helped with this book.

I hope you enjoy this years Tatler as much as I've enjoyed working on it.

Sincerely
yours,
Christy McDannel



Editor in Chief

Dear Mr. Hansen, .. Due to lack of interest ...

There's got to be an easier way!!!

Maybe we should have developed this first!
